## oh, knit!

If your sexy Saturday dress and your coziest Sunday sweater had a baby, it would look like this: layers of curve-hugging, stretchy knits!

- Wear a short minidress over thick, opaque tights—you won't feel too bare.
- Give your ankle boots a makeover by stretching a pair of leg warmers over the top of them.
- A long, crocheted scarf can be worn as an all-day accessory (not just under a jacket!).

**CG! BEAUTY TIP:** Knits are sexy and carefree; send the same message with your hair. Just tousle a dime-sized blob of smoothing serum (try **Samy Silk Anti-Frizz Serum**, \$8, at drugstores) through a day-old blow-out.
