Iconix Is on the Hunt To Acquire More Brands As Net Rises 54 Percent

By Vicki M. Young

NEW YORK — After swallowing Mossi and Ocean Pacific, Neil Cole and his team at the Iconix Brand Group are hungry for acquisitions.

The company plans additional licensing deals for the nine brands under the Iconix umbrella. But its appetite for more remains and the will need to boost its portfolio to help propel earnings per share toward a lofty growth goal of 15 to 20 percent.

"Looking beyond 2007, [our goal grow] earnings per share at least 120 percent year-over-year, and we committed to achieving this goal,"
